LIFEWIRE GIVING SOCIETY

LifeWire invites you to join a special group of committed donors whose philanthropic vision will allow us to touch the lives of thousands of survivors, children and families each year and to increase development of healthy relationships throughout our community, well into the future.

By making a generous five-year pledge, LifeWire Giving Society members help to ensure that LifeWire programs have consistent funding to sustain our current capacity and allow us to plan for future growth. Following are our current members:

MISSION

Lifewire's mission is to end domestic violence by changing individual, institutional and societal beliefs, attitudes and behaviors that perpetuate it.

VISION

Domestic violence is a human rights issue. Lifewire envisions a world in which every person lives in a safe environment, free from oppression and with the opportunity to thrive.
